Becoming a member of STORM requires a certain level of commitment. As part of our team, our instructors will rely on your presence to support the allocated classes. The programme spans 12 months, and during this time, we ask for your dedication to the following:

- 1) Supporting at least one class per week**
- 2) Attending training sessions and completing the progress workbook within the specified timeframes**
- 3) Assisting with at least two gradings over the 12-month period**
- 4) Supporting at least one competition over the 12-month period**
- 5) Being an active member of the STORM WhatsApp group, where you will stay updated on information, class changes, and where you can request time off as needed**

Are you willing and able to commit to these requirements? YES / NO (please circle)

Parents:

We believe that our STORM program fosters confidence, character, teamwork, communication, and leadership skills, while also instilling a sense of responsibility and accountability in our students. It is important for them to learn the value of regularly showing up for others. We will ask the students to request time off, just as we would with any team member, and we would greatly appreciate your support in this process. We encourage them to communicate directly with us, though at times, they may need a little encouragement.

Could you please confirm that you are happy to support your child throughout the 12-month program to help ensure they remain a committed and active member of STORM?

I confirm I am happy for my child to be part of STORM and fully support them in the programme

Signed: _____

Please answer the following questions as thoroughly as possible

1) Why do you want to be part of the STORM programme and how will it help you?

2) Why do you think you would be a good STORM member?

AVAILABILITY

STORM members will be expected to support both Ninja and Junior classes. We are requesting a commitment of at least one class per week. To help us allocate STORM members to the appropriate classes, we kindly ask that you provide your availability for the week by completing the form below and ticking the classes you are able to support. Please note that you will only be asked to assist with one of these classes.

Keep in mind that you will also need time for your own training, so you cannot support a class while training in it simultaneously. We value your commitment to your own taekwondo training alongside your support for the classes.
